

# All Creatures Of Our God And King

---

D                    Bm        A  
All creatures of our God and King  
      G                                    A  
Lift up your voice and with us sing  
      G D        G A  
Alleluia! Alleluia!  
      D                                    A/C#  
Thou burning sun with golden beam  
      G/B                                    A  
Thou silver moon with softer gleam  
      G                                    D/F#  
O praise Him! O praise Him!  
      Bm        G        A    D /// Bm // D/F# / G /// A ///  
Alleluia, alleluia, alleluia!

      D                                    Bm    A  
Thou rushing wind that art so strong  
      G                                    A  
Ye clouds that sail in heavn' along  
      G        D                    G A  
O praise Him! Alleluia!  
      D                                    A/C#  
Thou rising morn, in praise rejoice  
      G/B                                    A  
Ye lights of evening find a voice  
      G                                    D/F#  
O praise Him! O praise Him!  
      Bm        G        A    D /// Bm // D/F# / G /// A ///  
Alleluia, alleluia, alleluia!

      D                                    Bm    A  
Let all things their Creator bless  
      G                                    A  
And worship Him in humbleness  
      G        D                    G A  
O praise Him! Alleluia!  
      D                                    A/C#  
Praise, praise the Father, praise the Son  
      G/B                                    A  
And praise the Spirit, Three in One  
      G                                    D/F#  
O praise Him! O praise Him!  
      Bm        G        A    D /// Bm // D/F# / G /// A ///  
Alleluia, alleluia, alleluia!
