

Cannons

F# C#
It's falling from the clouds
G#m D#m
A strange and lovely sound
B F# C#sus C#
I hear it in the thunder and rain
F# C#
It's ringing in the skies
G#m D#m
Like cannons in the night
B F# C#sus C#
The music of the universe plays

B F# C#sus C#
As the music of the universe plays
