---

D // A // E // F#m // D // A // E // // // x2

A  
Before the world was made  
Before you spoke it to be  
You were the King of Kings  
Yeah you were, yeah you were

A/C#                    D            A  
And now you're reigning still  
                                 E            F#m  
Enthroned above all things  
                                 D            A  
Angels and saints cry out  
                                 E  
We join them as we sing

D            A            E            F#m  
Glory to God, Glory to God  
D            A            E  
Glory to God, Forever  
D            A            E            F#m  
Glory to God, Glory to God  
D            A            E  
Glory to God, Forever

D // A // E // F#m // D // A // E // // //

A/C#    D            A  
Creator God you gave  
                                 E            F#m  
Me breath so I could praise  
                                 D            A  
Your great and matchless name  
                                 E  
All my days, all my days

A/C#            D            A  
So let my whole life be  
                                 E            F#m  
A blazing offering  
                                 D            A  
A life that shouts and sings  
                                 E  
The greatness of the King

[chorus]
