Visitors

Welcome!

Thank you so much for being here this morning. We are so glad you are here. At Emmaus, we are committed to living out and teaching God's truth in very practical ways. Jesus' life and truth are the center and source of our lifestyle. Our mission is to introduce people to Jesus and life as it was meant to be! As we let Jesus work inside our lives and as we love one another, serving together, we will experience life as

it was meant to be! More and more we will see real changes in our lives, our families, our communities, our nation and our world!

Children

We love kids! They are welcome to stay during the entire service. During the sermon, we do offer children's church geared for their age level. We currently have two classes: up to 2 years old and 3 years-2nd grade.

Not Just Sundays

Check out our sections on small groups and other ministries. There's plenty going on during the course of the week to keep you plugged in to the Word of God and His people!

Coffee Time

After service, stick around for some coffee or tea and snacks. We'd love to get to know you better, and there's no better time than now!

News and Events

Prayer Requests

There is a box in the foyer for you to place your prayer requests. You can also e-mail them to ECprayer@gmail.com. They will be held in confidence and prayed for by the adult Sunday school class on prayer.

Parents of Teens

3rd Sundays of the month beginning in March, Pastor Mike Dean will be leading a teaching/discussion time on how to love your teenager at the same time that youth group meets. Bring your questions and your struggles and your tennis shoes—part of your time will be spent in heated battle with your teen!

Projector Help Needed

We could use one more person in our rotation for running the projector. Training is provided, and some people even think it's fun! See Caleb if you're interested!
